

# FEET FIRST

## Chenin Blanc 2009

---

The label depicts the Magnificent Tree Frog *Litoria splendida*, locally known as the “Splendid Frog”. It is native only to the north of Western Australia, found in the Bungle Bungle Ranges in the Kimberley region. Its small area of habitat and the fact that it shelters from the tropical day time temperatures in caves and between boulders make it a rare find indeed.

The aim of Feet First is to produce a range of wines from fruit grown in Western Australia that are value for money. To this end, vintage variations are reduced by sourcing quality fruit from growers in a diverse range of regions, including Margaret River, Swan Valley, Mount Barker, Frankland River and Geographe. Our aim is to maintain a level of quality that over delivers for the price asked and to be available in key markets in Australia and overseas.

---

### Tasting Notes

This wine is typical of a premium Western Australian Chenin Blanc with fragrant tropical fruit characters on the nose which follows through to the palate.

The mouthfilling fruit flavours lead into a clean, crisp finish. Quality grapes from the Smith, Kendall and Valenti vineyards in the Swan Valley and Harvie vineyards in the Geographe were used to produce this wine.

Ideal on its own or with seafood or salad dishes.

### Regions

Swan Valley	86%
Geographe	14%

### Technical

Alcohol	12.5%
---------	-------

Contains Sulphites  
Fish products (isinglass)  
used and traces may remain

### Winemaker

John Griffiths

### Barcode

9334512000083
