

FEET FIRST

Cabernet Merlot 2010

The label depicts the Magnificent Tree Frog *Litoria splendida*, locally known as the "Splendid Frog". It is native only to the north of Western Australia, found in the Bungle Bungle Ranges in the Kimberley region. Its small area of habitat and the fact that it shelters from the tropical day time temperatures in caves and between boulders make it a rare find indeed.

The aim of Feet First is to produce a range of wines from fruit grown in Western Australia that are value for money. To this end, vintage variations are reduced by sourcing quality fruit from growers in a diverse range of regions, including Margaret River, Mount Barker and Frankland River, Swan Valley, Pemberton and Geographe. Our aim is to maintain a level of quality that over delivers for the price asked and to be available in key markets in Australia and overseas.

Tasting Notes

This wine is made from premium Cabernet Sauvignon (84%) and Merlot (16%) grapes grown at Lill's vineyard in the northern end of the Margaret River region.

Aromas of blackberry and spice lead into the palate which displays ripe berry fruit and dusty oak flavours. It is a medium bodied wine full of flavour with gentle tannins and a long finish.

Drink now to 2014 with beef or robust Mediterranean dishes.
