

FEET FIRST

Sparkling Chardonnay Pinot Noir NV

The label depicts the Magnificent Tree Frog *Litoria splendida*, locally known as the “Splendid Frog”. It is native only to the north of Western Australia, found in the Bungle Bungle Ranges in the Kimberley region. Its small area of habitat and the fact that it shelters from the tropical day time temperatures in caves and between boulders make it a rare find indeed.

The aim of Feet First is to produce a range of wines that are value for money. To this end, vintage variations are reduced by sourcing quality fruit from growers in a diverse range of regions. Our aim is to maintain a level of quality that over delivers for the price asked and to be available in key markets in Australia and

Tasting Notes

Chardonnay and Pinot Noir grapes from a cool climate region were selected for their natural acidity and pristine flavour. The time on yeast lees and bottle ageing were short term to enhance the youthful fruit flavours evident in the wine.

The wine presents a pale golden hue with persistent fine bubbles and the nose contributes green apple and yeasty aromas. Flavours of almond and nougat blend into a supple palate of sherbet and creamy yeast characters.

A deliciously vibrant wine that is perfect as an aperitif to tantalize the taste buds but very drinkable with numerous food styles and dishes.
